- Take Your Seat - form to be included in program with QR code, will announce
- Sticker fundraiser . Ordering 100 stickers which can be sold in school, at ice cream social and at concert
- Small raffle at Spring concert - decided not to have raffle due to fact music department will have donation box out, we will be selling stickers, and also announcing/encouraging Take Your Seat and Membership. Prizes to be used for door prize and membership drive incentives.
- \*\*\*New idea\*\*\* Offer a **lifetime membership** for \$100.00 . Will discuss more at next meeting.

## **Scholarship Committee**

- Update. Winner has been selected. Was extremely close and it was a strong batch of candidates. Honors night will be virtual so there is no need to present live. This will be Gail's last year chairing committee but she would like to continue to serve if space allows.

## **Grant Committee**

- Michaela applying for Providence Journal Legacy grants for tenor (and possible baritone) sax. Due at the end of June. Would like assistance with others looking over grant prior to submission.
- Judy Paolucci had forwarded Max and Victoria Dreyfus grant information regarding the auditorium. She had forwarded in the fall and we had passed due to concerns regarding the amount of income and how it would impact 501c3 status. In addition, the school department is eligible to apply for the grant on their own, although they had indicated they did not have the time to pursue this in the fall. We discussed needing more specific information about the grant before deciding whether or not to pursue it for the Spring cycle, as similar concerns remain. Michelle to locate the information and forward to board.

## ***New Business***

### **Ice cream social**

- Because there is no banquet this year, the boosters will sponsor an after school ice cream social. Katherine to look into possible dates.

**Senior Gifts** - Katherine said it has been taken care of.

**2021/22 school year:** Katherine stated as far as she knows her position will remain a .6 position for next school year, and as a result she will not be able to have a musical next year. She is extremely disappointed that this cannot happen but she cannot feasibly run a musical when she is part-time. Membership expressed support for the decision.
